2. [REDACTED] Talked to Don Lynch, Senate Armed Services Committee staff, to arrange for a briefing for Jim Woolsey, of the staff, and himself on the Soviet VSTOL carriers. Lynch said he would be away until next week and added Ed Braswell, Chief Counsel of the Committee, also wanted Charles Cromwell, of the staff, to be included in the briefing. I told Lynch I would check on Cromwell's clearances and we would get together early next week to set a date for the briefing.
